*An account related to LOTM has a position in this security.

LOTM's primary strategy is to "own companies" that are "niche leaders" and not yet well known by Wall Street. We then trade around price movement in these "niches leaders", attempting to create trading profits as well as long term wealth through ownership of these "core" positions

It should not be assumed that current recommendations will equal past performance or will be profitable. The information presented has been obtained from sources believed to be reliable, but accuracy cannot be guaranteed. As with any sound investment philosophy, diversification is a very important aspect of micro and small cap investing. The more diversification you can achieve, the lower your overall risk level will be.
